The Nature of Consciousness and the Universe (Paperback)

By Daniel J Alworth

Tate Publishing Enterprises, United States, 2015. Paperback.
Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Many of us ask, What is the point of life? or similar inquiries. Well, the point is to find out for yourself! To think for yourself! To be for yourself! What a wonderful universe it is to experience existence in. This collection of words, thoughts, and experiences is to assist in the magnificent journey called you. You are the connection to the entire universe. Ever wonder about the nature of the universe, consciousness, and merely the workings of all that is? How can we enjoy life? In this reading, I explain basic logics and ideals to understand balance. For balance is in everything that exists; with a true understanding of balance, one is well ready to tackle what comes next. My friends, there will always be more challenges, more battles, and new things thought not possible, or nearly inconceivable. This book is designed to get one to really think for themselves, to ask why, and to respect all life.
