Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

LEAVING THE SEA (HARDBACK)

GRANTA BOOKS, United Kingdom, 2014. Hardback. Book Condition: New. 236 x 156 mm. Language: English . Brand New Book. A bold new short story collection from one of the most exhilarating and innovative writers of our time. The stories in Leaving the Sea take place in a world which is a distortion of our own, where strange illnesses strike at random and where people disappear without a trace. Ben Marcus has created a labyrinth populated by disturbed, weary men; from the frustrated creative writing teacher to the advocate of self-inhumation; from Paul, whose return home leads him further into his isolation, or Mather, whose child is sick, to an unnamed narrator who spends his lonely evenings calculating the probabilities of his mother s imminent demise. Dark, funny and utterly unique, Leaving the Sea showcases a writer at the height of his powers.
