Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Brand New Book ***** Print on Demand *****.Excerpt from Bulletin of the North Carolina Board of Health, 1886, Vol. 1 The Legislature has placed \$2,000 at the disposal of the Board, to be used in the event of an epidemic outbreak dangerous to the public health. This sum can be used only through the Governor; and that it may be applied efficaciously, it is necessary that the State Board should be kept constantly informed of the nature of diseases existing throughout the State, and this information can be had in no other way than through the practicing physicians in the State. The State Board have undertaken the publication of this bulletin, with the hope that we will receive the assistance of the State profession, and trust we will not be disappointed. Summary of Reports from County Superintendents for March. Buncombe - Dr. W. L. Hilliard reports three cases typhoid fever with acute bronchitis, pneumonia and rheumatism prevailing in city of Asheville and different portions of the county. He reports the jail as a new building, the sanitary condition of which is excellent. New buildings are being built for the poor. Burke Dr. J. L. Laxton, Morganton, Superintendent. No report. Columbus - Dr. I. Jackson, Whiteville, reports one case of whooping-cough, also an epidemic of cholera among hogs. He says: The sanitary condition of the county is the best I ever knew in the twenty four years I have lived and practiced here. There are only four prisoners confined in jail, and they were sent from Wilmington, the jail in the latter place having been destroyed by fire. The jail has not sufficient heating arrangements for as cold weather as was experienced the last winter....
