Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Editors: Leading nations around the world are moving rapidly to set up a new world economic system, based on the real values of physical productivity, the productive powers of labor, and scientific advance. We focus on those exciting developments in this issue of EIR-especially the stunning developments in Egypt. But that s only part of the story. The British financial empire is in a war to prevent the establishment of this new system, and it is utilizing every asset it can find, going as far as to threaten global war. The sanctions war against Russia, for example, is ripping Europe apart economically. The Ukraine developments are even more dangerous (International). But to succeed, the British need to control the U.S. Presidency. Their tool Obama is willingly complying-violating the U.S. Constitution without any effective challenge from Congress, and driving toward that confrontation with Russia (National). At the same time, Obama s protection of the predatory financial system is leaving an open field for genocide globally. In this issue we have our first coverage of the Ebola outbreak now creating a holocaust in West Africa, and threatening the planet. Lyndon LaRouche and EIR forecast just such a development as early as in 1974, warning that toleration of IMF austerity conditionalities would lead to global pandemics. Without overthrowing the IMF/Wall Street/London system, this scourge, and others like it, can t be stopped. But Obama brought shame on the nation by turning his back on the enormity of the desperate crisis, during his recent summit with African leaders.How do we stop such atrocities? LaRouche this week demanded that the first step be the immediate ouster of Obama s biggest protector,...
