Brand New Book ***** Print on Demand *****.Just as a little child holds out its hands to catch the sunbeams, to feel and to grasp what, so its eyes tell it, is actually there, so, down through the ages, men have stretched out their hands in eager endeavour to know their God. And because only through the human was the divine knowable, the old peoples of the earth made gods of their heroes and not unfrequently endowed these gods with as many of the vices as of the virtues of their worshippers. As we read the myths of the East and the West we find ever the same story.
