Last Seen Entering the Biltmore: Plays, Short Fiction, Poems, 1975-2010 (Paperback)

By Gary Indiana

AUTONOMEDIA, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Before publishing his celebrated first novel, *Horse Crazy*, in 1987, Gary Indiana wrote and directed twelve plays for an informal company whose performers included the painter Bill Rice, composer Evan Lurie, the poet George-Therese Dickenson, writer and film actress Cookie Mueller, Warhol superstar and painter Viva, writer Victoria Pedersen, singer/actress Sharon Niesp, photographer Allen Frame, the legendary Taylor Mead, novelist Larry Mitchell, and others. Performed at the Mudd Club, Club 57, The Performing Garage, and Bill Rice's E. 3rd Street studio, Indiana's plays offered a kind of community theater for New York's underground. This volume presents highlights of that repertoire, including *Alligator Girls Go to College*, *The Roman Polanski Story*, and Indiana's script for Michel Auder's videofilm *A Coupla White Faggots Sitting Around Talking*, accompanied by archival performance photographs and selections from Indiana's contemporaneous journals and poems. These hilarious, incisive writings and scripts evoke a vivid and accurate portrait of writers and artists in the lower Manhattan of the 1980s--arguably America's last avant-garde--and anticipates Indiana's impressive subsequent literary career.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.
