Oxford University Press Inc, United States, 2009. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. Though she wasn t above using her femininity to full advantage, Lee aspired to much more than admiration for her physical beauty. Frankel places Lee s life in social and political context while detailing a fascinating entertainment career, in which Lee created and recreated her own identity to fit changing times. Frankel s biography transcends the sensationalism of stripping and asks the public to see the woman beneath the costume, a woman who always kept a little of...
