

## The Web Ranking Manual Learn how to make your website or video SEO friendly to maximize exposure and maximize profits

By Tom Mitsoff

Paperback. Book Condition: New. Paperback. 94 pages. We DOMINATED Google and YouTube search for one of the biggest Internet product launches in history. Now you can learn EXACTLY how we did it! You will learn: what search engine optimization techniques are working NOW -- not a year or two ago. We are a professional SEO firm, and this book lays out in step-by-step detail the process we go through to analyze what keywords our clients should target, and how much competition is or is not standing in their way. In short, how we get our clients AND ourselves ranked highly in the worlds leading search engines. What the secret weapon is these days for even SEO amateurs to achieve high rankings in Google. Yes, we tell you what it is, and exactly how to do it! If you decide to take on the job of SEO yourself (and make no mistake, when done correctly and effectively, it is a JOB), we present the process and resources you will need. Dont let anyone tell you its a snap. If they tell you that, theyre probably ranking for a non-competitive keyword. It is so important for people to have high rankings in Google...
