Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether you realize it or not you are surrounded by Fish People! In fact, there are somewhere around 65 million people who claim the title in the United States alone. Sometimes it is obvious who they are because they have those quirky, silver fish emblems on the backs of their cars. Others wear necklaces with fish pendants, or hats or t-shirts emblazoned with that very familiar ancient Christian symbol, the Ichthus fish. Christians, also known as Fish People for the purposes of this book, have a about a gazillion and a half books and other resources that are all about living in a world that they perceive as being hostile to their faith at worst and indifferent at best. They are written to help Christians understand how to live in a world full of people who do not necessarily believe what they believe and to teach them how to share their faith with those people. On the other hand, there are few, if any real resources available for everyone else focused on how to live in a world populated by millions of Christians. That is why I wrote this book. This book is for the wife or husband trying to figure out what in the world their Christian spouse actually believes and why they act the way they do (at least with regard to their beliefs). It s for the person who has been wounded, perhaps terribly so, by someone in the church and is struggling with what kind of person could do or say such a thing while professing to be saved and full of the love of God. It is for the politician...
