He s got a walk-in closet, an extensive collection of outfits, and fabulous style to boot. The only problem is, he can t leave his house to go fight crime until he has the perfect outfit on and sometimes that takes awhile. Sometimes it takes so long that by the time he arrives at the scene of a crime, another superhero has already gotten the job done. Superfab finds himself less and less in demand, until one day he gets called to the scene and discovers that his exquisite sense of style is just the weapon he needs to beat (and befriend) this particular monster. This original take on the superhero story will have readers rooting for the underdog and celebrating Superfab s unique pizzazz. Whimsical illustrations show off the stylish side of this quirky and loveable character who knows the best way to save the day is to be true to yourself.
