

Seven Animal Insertions Filet Crochet Pattern: Complete Instructions and Chart (Paperback)

By Ethel Herrick Stetson, Claudia Botterweg

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This set of seven charming animal and insect insertions--a happy dog, busy bees, a butterfly, a mother duck and duckling swimming along, an owl, a pony, and a pair of playful cats--were designed by Ethel Herrick Stetson in 1912. Use them anywhere you would use a lace insertion: for towels, curtains, garments and table linens. They are all about the same width (except for the cats), so with some adjustment of the empty spaces you can make an insertion combining different animals. This is not your usual scanned vintage crochet pattern. To make this pattern great for todays crocheter I wrote complete instructions, expanded the written instructions so you won t need to skip around, and made an easy to follow chart. I also changed the written instructions to use modern US crochet terms. The only stitches you need to know to complete this lace are: chain stitch and double crochet.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
