HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Heart to Heart, Pea Horsley, Read the heartwarming story of Pea Horsley, the UK's first professional animal communicator, as she tracks lost animals, tackles troublesome pets and helps people to truly understand their devoted friends. Pea Horsley never set out to be an animal psychic, so you can imagine her surprise when she realised that animals could talk, and that she could hear them. Heartwarming and funny, Pea describes how she learnt to harness her powers and, in doing so, the incredible characters that she meets - on two legs and four! Pea tells how she saved Musgo the horse who was unable to recover from a past trauma, helped a client find her reincarnated puppy, and the wonderful story of Mono the dog and his owner, Mike. Mono had saved Mike's life, so when the vet told Mike that Mono was so ill that there was no hope, Mike refused to give up on him. Pea came to the rescue to help Mono tell Mike what he needed to survive. Pea's immense compassion and love of animals has allowed her to help so many animals in need and to celebrate the unconditional love and devotion that our closest friends bring to our lives.
