D.K. Printworld (P) Ltd., New Delhi, India, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This book written almost immediately after Gandhis demise suggests a fresh view of his struggle to achieve "peace in the human home" embedded as it is in Malliks socio-philosophical theory of conflict and its avoidance. Further in the light of the authors view of the dynamics of history, it reads the life and death of Mahatma Gandhi as more than a mere episode in the milieu of traditional value: it is projected as a significant event which opens up new and unprecedented possibilities for the future of man. As an original and thought-provoking perspective it should invoke the interest of Gandhians, philosophers and historians alike. Printed Pages: 128. Size: 15 x 23 Cm.
