Diagnosis and Treatment of Children and Adolescents: A Guide for Clinical and School Settings

By Brande Flamez, Carl J. Sheperis

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Diagnosis and Treatment of Children and Adolescents: A Guide for Clinical and School Settings, Brande Flamez, Carl J. Sheperis, A guide to treating mental health issues in children and adolescents Diagnosis and Treatment of Children and Adolescents: A Guide for Mental Health Professionals is a resource tailored to the particular needs of current and future counselors, behavioral healthcare clinicians, and other helping professionals working with this vulnerable population. With in-depth content broken into two sections, this book first provides a foundation in the diagnostic process by covering the underlying principles of diagnosis and treatment planning, and then applies this framework to the DSM-5 categories related to children and adolescents. With research continually reshaping our understanding of mental health, it is critical mental health professionals make decisions based on evidence-based pathways that include the specialized research around children and adolescents. The leading experts who contributed to this book share contemporary perspectives on developmental considerations, assessment information, presenting symptoms, comorbidity, levels of severity, prevalence data, and other relevant factors. * Structured content of chapters provides a crosswalk between the DSM-5 and this book * Updated content based upon the changes, additions,...

Reviews
