Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Adventure Club had its inception, one evening toward the last of June, in Number 17 Sumner Hall, which is the oldest, most vine-hidden and most hallowed of the seven dormitories of Dexter Academy. It was a particularly warm evening, the two windows were wide open and the green-shaded light on the study table in the centre of the room had been turned low-Sumner prided itself on being conservative to the extent of gas instead of electricity and tin bathtubs instead of porcelain-and in the dim radiance the three occupants of the room were scarcely more than darker blurs. Since final examinations had ended that afternoon and Graduation Day was only some twenty-eight hours away, none of the three was doing anything more onerous than yawning, and the yawn which came from Perry Bush, didn t sound as though it cost much of an effort. It was, rather, a comfortable, sleepy yawn, one that expressed contentment and relief, a sort of Glad-that s-over-and-I m-still-alive yawn.
