It describes some of the true-to-life adventures of this young man, his friends and the game they love to play - baseball. Billy Baseball invites the reader to share in a variety of experiences. Centered around Billy's experiences on the baseball diamond, Billy has a chance to decide what is really important in life. Billy Baseball is divided into two volumes. The first of the two volume series is aimed at anyone age nine or older, especially those persons who are playing or who have played baseball. Parental involvement, reactions to good days and bad days, Little League drama, and the importance of teamwork are interwoven into the plot. The first volume is the easier of the two volumes to read and understand. Although the books can be read independently, the story and its characters are interwoven. The second volume, Billy Meets the Babe begins with Billy going back to school to enter the seventh grade. He empathetically welcomes a new kid into his neighborhood group of friends. And, Billy continues to have a crush on a young lady, a little red-haired girl, whom he first encountered in volume one. This young girl returns his affections, proclaims her fondness for...
