Inner Child Press, Ltd. Paperback. Book Condition: New. Paperback. 138 pages. Dimensions: 10.0in. x 8.0in. x 0.3in. Preface One of the methods back in 2012 other than print I chose to publish this book of poems, sayings, and more was online without charge over the internet, using a flip-book technology. My goal was to have as many people as possible take advantage of the freely accessible way Ive communicated my thoughts. I offer those who choose to read my words the opportunity to hear my call to action regarding the survival of humankind. I also waited until the last part of 2012 to promote the distribution of Nature IQ: Lets Survive, Not Die in PDF format (free download) to demonstrate a positive voice that focuses on the most vital needs and issues of the people. 2012 was a year filled with the hype of doomsday prophesy and the campaign for election of the president of the United States. It was another election where our choices between candidates were once again devoid of timely concepts and practices that would help the people with immediate and long-term circumstances. Unlike those candidates for president, Ive suggested a more cooperative, forward thinking, transitional and adaptive approach to established and new concepts and practices to be used not only by those who represent the people in government, but by We the people as well. Concepts and practices if more fully implemented will improve the peoples lot in life and will create an environment that will make the people more self-reliant, more resilient, and less susceptible to disruptive conditions. In other words, we will create a support system that will help the people help themselves, no matter the issue or earth changes we may have to face. As a concerned citizen, being a part of We the...
