

Hawkes Harbor

By S E Hinton

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Dr. Phillip McDevitt, director of Terrace View Asylum, is intrigued by his newest patient, a troubled young man recently transferred from the state hospital for the criminally insane. Jamie Sommers suffers from depression, partial amnesia, and an unaccountable fear of the dark. Dr. McDevitt is determined to help Jamie conquer his demons, but the more he probes the young man s fractured memories, the stranger his case becomes. An orphan and a bastard, Jamie grew up tough enough to handle almost anything. Taking to the sea, he found danger and adventure in exotic ports all over the world. He s survived foreign prisons, smugglers, pirates, gunrunners, and even a shark attack. But what he discovered in the quiet seaside town of Hawkes Harbor, Delaware, was enough to drive him almost insane and change his life forever. Hawkes Harbor is a compelling and unpredictable new novel by one of America s most honored storytellers.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
