Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Adam Howie (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. A funny, loopy story for kids about a boy jumping from turtle to turtle. He doesn't care that it's turtles all the way down. Alex v1.1 Smith has just moved to a nice new house in the country - but last night he thought he saw some giant turtles half-buried in the garden. Home alone the next morning, Alex plans to go exploring. On his way to find The Turtle at the Bottom of the Garden, he meets all sorts of fantastical animals like: Curious Crows, Ghost Crabs, Hover Rats, Octopus Spam, and of course TALKING TURTLES! Alex has his next-gen phone to help him, and he messages his twin sister Avalon v33 Smith - she's in the kitchen, unpacking the moving-in boxes and talking to House the twin's newly booted AI babysitter. How many turtles will Alex discover on his journey? And will he find TEGGY the Turtle at the Bottom of the Garden? If you're aged about 7 upwards, read this book to find out! Set in near-future Scotland, Jer White's The Turtle at the Bottom of the Garden is a quirky, modern kid's book with built-in re-readability, a geeky glossary, Spotify playlists and other treats. With every chapter beautifully illustrated by Edinburgh artist Adam Howie, The Turtle at the Bottom of the Garden is available now as a 160-page paperback (Kindle version coming soon!)
