

Straight Up: America's Fiercest Climate Blogger Takes on the Status Quo Media, Politicians, and Clean Energy Solutions

By Joseph J Romm

Island Press. Paperback. Book Condition: new. BRAND NEW, Straight Up: America's Fiercest Climate Blogger Takes on the Status Quo Media, Politicians, and Clean Energy Solutions, Joseph J Romm, In 2009, Rolling Stone named Joe Romm to its list of "100 People Who Are Changing America." Romm is a climate expert, physicist, energy consultant, and former official in the Department of Energy. But it's his influential blog, one of the "Top Fifteen Green Websites" according to Time magazine, that's caught national attention. Climate change is far more urgent than people understand, Romm says, and traditional media, scientists, and politicians are missing the story. Straight Up draws on Romm's most important posts to explain the dangers of and solutions to climate change that you won't find in newspapers, in journals, or on T.V. Compared to coverage of Jay-Z or the latest philandering politician, climate change makes up a pathetically small share of news reports. And when journalists do try to tackle this complex issue, they often lack the background to tell the full story. Despite the dearth of reporting, polls show that two in five Americans think the press is actually exaggerating the threat of climate change. That...
