DOWN TO EARTH (PAPERBACK)

Salt Publishing, United Kingdom, 2008. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.John Wilkinson s Down to Earth is his darkest work to date: a disturbing road poem of the American mid-West, an epic of migration, an examination of now-ubiquitous borders, and a meteorological tour of our growing energy crises. Global and internal flows of capital, consumer products, waste, labour and body parts all shape its contorted map of the 21st century. Narrative poems echoing traditional forms, are intercut with damaged and damaging lyrics; these various styles have their analogues in the sculpture several passages praise and deprecate. In addition, Down to Earth incorporates an extended homage to Artemis of Ephesus. Wilkinson s book forms one single thematically-interrelated poem, and although its materials are bleak, the book s caesura-driven prosody honours the hopes and courage of the people involved in mass migration and local struggles. Like every book by John Wilkinson, Down to Earth knows no limit to poetry s ambition, dodging every border post, down every highway, like the ocelot running through its narratives, and struggling to create a sheltering place in often pitiless landscapes.
